- (c) 'Mezo Blanca', a firm registered in India, imported certain items of machine equipment from China. These items were bestowed with subsidy by the Chinese Government for production as well as export to other countries. Considering the impact of subsidized articles being imported into India, Indian Government imposed countervailing duty under section 9 of the Customs Tariff Act, 1975 on the import of said items. Mezo Blanca seeks your advice on the correctness of the action of the Proper Officer and also want to know the different ways of circumvention which are prohibited. (5 Marks)

Answer

(a) In the given case,

Date of receipt of payment is:-

(a) Date of entry of payment in books of account [17th July 2022] or

(b) Date of credit of payment in bank account [20th July 2022]

whichever is earlier, viz., 17th July 2022.

Date of issue of invoice is 20th July 2022 (since lodge decided to issue invoice on date of credit of payment in its bank account.)

Since in the given case of change in rate of tax (on 18th July, 2022):

- services have been supplied and payment has been received, before such change in rate

- but invoice is issued after the change in rate,

time of supply is date of receipt of payment, viz. 17th July, 2022.

Since the service of lodging upto a value of ₹ 1,000 was exempted at the time of supply, no GST is payable in the given case.

(b) (i) The place of supply of services by way of transportation of goods, including by courier, to a place outside India is the place of destination of such goods.

Hence, in the given case, place of supply of such services would be Florida, USA.

(ii) Catering services provided to an educational institution providing services by way of pre-school education and education up to higher secondary school are exempt from GST.

Thus, in the given case, catering service provided by “Toddlers Catering Agency” to “Mischievous Muppets” - a Kindergarten school is exempt from GST.

(c) Where the Central Government, on such inquiry as it considers necessary, is of the opinion that circumvention of countervailing duty has taken place by any of the following ways, it may extend the countervailing duty to such other article also from such date, as the Central Government may, by notification in the Official Gazette, specify:

(i) by altering the description or name or composition of the article on which such duty has been imposed

(ii) by import of such article in an unassembled or disassembled form

(iii) by changing the country of its origin or export or

- (iv) in any other manner, whereby the countervailing duty so imposed is rendered ineffective.

In accordance with the above provisions, the action of the proper officer is correct¹.

Question 4

This ITC was not utilized against the output tax liability for the month of October 2022. Mr. Broker utilised ITC of ₹ 75,000 from the above wrongly availed ITC of ₹ 1,25,000 against output tax liability for the month of November 2022.*

Mr. Broker paid the amount of ITC wrongly utilised of ₹ 75,000 on 10th March, 2023 and reversed the unutilized amount of ₹ 50,000 on 20th March 2023. Calculate the total interest payable (CGST + SGST) rounded off to nearest rupee under GST law if Mr. Broker files:

- (i) *Form GSTR-3B for the month of October on 18th November 2022, and*
(ii) *Form GSTR-3B for the month of November on 25th December 2022.*

- (b) *M/s Cute and Co., a registered person under GST, filed an appeal with respect to denial of Input Tax Credit (ITC) related to the financial year 2017-18. This appeal was disposed of in favour of M/s Cute and Co. on 30-09-2022. Annual return for the financial year 2017-18 was filed by it on 31-03-2020. Due date for the said return was 07-02-2020.*

- (c) *M/s. Lotus Auto Weaves imported 10 automated looms from Germany for a price of US \$ 70,000. The price was settled and machines were shipped on 20th March, 2023. Due to this negotiation, the exporter further reduced the price of 10 automated looms to US \$ 60,000 and confirmed the same by email dated 30th March, 2023. However, consignment arrived in India on 29th March, 2023. Proper officer of customs ignored the revised price confirmed by email and assessed the value based on original price of US \$ 70,000. This was contested by the importer as unfair action by the Department. Importer seeks your advice on the correctness of action of the proper officer. Give reason in support of your answer.*

(5 Marks)

¹ It is most logically assumed that the Central Government has extended the countervailing duty by notification in the Official Gazette to the product imported (by altering name) by Mezo Blanca.

Answer

(a) Where ITC has been wrongly availed and utilised, the registered person shall pay interest on the same

- for the period starting from the date of utilisation of such wrongly availed ITC
- till the date of reversal of ITC or payment of tax in respect of such amount
- @ 18% per annum.

Since wrongly availed ITC of ₹ 50,000 has been reversed without utilizing the same, interest is not payable on the same.

Interest is payable on wrongly availed and utilised ITC of ₹ 75,000.

Date of utilisation of said ITC will be:

- (a) Due date of furnishing return for November, 2022 [20th December, 2022] or
- (b) Actual date of filing of the return for November [25th December, 2022]

whichever is earlier.

Thus, date of utilisation of said ITC will be 20th December, 2022.

Interest (CGST + SGST) will be payable for 80 days [21st December 2022 to 10th March, 2023 (both days inclusive)] as follows:

$$\begin{aligned} & ₹ 75,000 \times 80/365 \times 18\% \\ & = ₹ 2,959 \text{ [CGST+SGST] (rounded off)} \end{aligned}$$

(b) M/s Cute & Co. who is a party to an appeal is required to retain the books of accounts and other records:

- (i) for a period of 1 year after final disposal of such appeal (i.e. 30.09.2023),
- or
- (ii) for 72 months from the due date of furnishing of annual return for the financial year 2017-18 (07.02.2026),

whichever is later.

Thus, M/s Cute & Co. needs to maintain books of accounts till 07.02.2026.

(c) As per section 14 of the Customs Act, 1962, the value of the imported goods is the transaction value, which means the price actually paid or payable for the goods at the time and place of importation.

Further, the Supreme Court in case of *Garden Silk Mills v. UOI 1999 (113) E.L.T. 358* has held that importation gets complete only when the goods become part of mass of goods within the country.

Since in the instant case, the price of the goods was reduced after the goods arrived in India, the price would be considered to be revised after the importation took place.

Hence, the goods should be valued as per the original price of US \$ 70,000, which was the price payable at the time of importation.

The action taken by the proper officer is valid.

Question 5

- (a) *M/s. Root & Co. filed a refund application under section 54 of the CGST Act, 2017 in respect of export made by them. Square & Co. filed an appeal denying any suppression and on which Appellate Authority concluded that the notice is not sustainable under section 74(1), for the reason that the charges have not been established by the Department. Proper officer deemed the said notice to have been issued under section 73(1) and re-determined the demand.*

Square & Co. is of the opinion that the action of proper officer is not in line with GST law. Square & Co. filed its annual return for the financial year 2018-19 on 30-11-2019. Assume the due date of such return as 31-12-2019.

Square & Co. seeks your advice with reason on the following issues:

- (i) *Whether the proper officer can proceed to re-determine the demand under section 73(1), in respect of notice issued under section 74(1)?*
(ii) *If yes, whether the fresh demand is valid?*

Answer

- (i) **Where the excess refund claim was proved to be inadvertent and not wilful/fraud**
- Penalty payable will be higher of the following:
- (a) 10% of tax due, i.e. ₹ 1,800 (18,000 x 10%)
- (b) ₹ 10,000
- Penalty will be ₹ 10,000 each under CGST and SGST
- (ii) **Where the excess refund claim was on account of wilful misstatement/fraud**
- Penalty payable will be higher of the following:
- (a) Tax due, i.e. ₹ 18,000
- (b) ₹ 10,000
- Penalty will be ₹ 18,000 each under CGST and SGST
- (b) (i) Since the appellate authority concluded that the notice under section 74(1) is not sustainable for reason that the charges of fraud etc. have not been established by Department against M/s Square & Co., the proper officer can re-determine the demand, deeming as if the notice was issued under section 73(1) of the CGST Act, 2017.
- (ii) Fresh demand will not be valid since show cause notice under section 74(1) of the CGST Act, 2017 was issued on 24.11.2022, i.e. beyond 2 years and 9 months from the due date of furnishing of annual return for financial year 2018-19, i.e. 30.09.2022.
